John Abercrombie – Arcade (1978)

1. Arcade 2. Nightlake 3. Paramour 4. Neptune 5. Alchemy John Abercrombie: Guitar, electric mandolin Richie Beirach: Piano George Mraz: Bass Peter Donald: Drums

This is some of the most beautiful music you will ever hear. These guys are so tight. But most of all John's playing is breathtaking. He plays electric mandolin on here as well. The best way to listen to this is ...lying in bed at night, a great set of headphones, and your eyes closed. John Abercrombie is a phenominal musician and songwriter. ---Marion Hill, amazon.com
