Luciano Pavarotti (Tenor)
Nuccia Focile (Soprano)
Royal Philharmonic Orchestra
Maurizio Benini (Conductor)

Live concert of chestnuts with Pavarotti and Nuccia Focile. I prefer the Pavarotti from the 1970's

with his sweeter voice, but he's OK here.

Nuccia Focile gave a simply knockout solo recital in 2006 that I was so fortunate to attend. The best recital I've ever attended. She brought tears to my eyes. Unfortunately, her in person commitment to the music doesn't travel that well here. She's decent on the recording, but other singers do it better. ---Roy Gordon, amazon.com
