The original Vinyl release only had 8 (Eight) Tracks! Not to mention it was her last for Motown, so Motown threw in some Odds 'n' Ends/Leftover tracks just to complete the album for release, or should I say for a RUSH RELEASE. . Don't forget she was just coming off a Platinum Billboard #1 Hit Single "Endless Love" with Lionel Richie, so they (Motown) needed something on the streets fast!. By the time this had hit the streets, it was already annouced that she (Diana) had signed with RCA Records, so the "To Love Again" album was quickly forgotten. . . .

Now 20+ years later this album resurfaces as a well put together Compact Disc with 12 Bonus Tracks to boot! Now it has a whole new life!!! Includes Billboard Charted #1 Hit Singles: "Touch Me In The Morning" presented here in an Extended Version!, and "Theme From Mahogany", Plus Billboard Charted Hits: "I Thought It Took A Little Time" (#47), "It's My Turn" #(9), and "One More Chance" (#54). One of the standout Unreleased Tracks is: "Share Some Love". Get your Diana fix, and go out and buy this. . . . NOW!!!. --- guitartabsexplorer.com
