The provocative and controversial pop duo t.A.T.u. deliver a set of sleek electronic dance music on this, their third English-language album. Released in 2009, Waste Management (an English-language edition of their Russian album Veselye Ulybki) features 11 songs (12 on the "Transcendent" version are remixed for nonstop play) in which vocalists Lena Katina and Julia Volkova take their edgy musical stories to the dancefloor; selections include "White Robe," "Snowfalls," "Little People," and more.---Mark Deming, AllMusic Review
