Musicians:
Alison Krauss (fiddle and lead vocals),
Dan Tyminski (guitar, mandolin and lead vocals),
Barry Bales (bass and harmony vocals),
Ron Block (banjo, guitar and harmony vocals),
Jerry Douglas (Dobro and harmony vocals).

Paper Airplane was produced by the band and recorded in Nashville with engineer Mike Shipley (Maroon 5, The Cars, Def Leppard, Joni Mitchell). As bluegrass virtuosos the members of Union Station are beyond compare, and the music they create together transcends all genres. Their work on films such as Cold Mountain and O Brother, Where Art Thou has contributed immeasurably to a renaissance of American roots music.
