Personnel: Mel Brown (vocals, guitar, piano, Clavinet, organ).

The final album from the late blues guitar legend and W.C. Handy Award winner Mel Brown. Features previously unreleased tracks of Mel at his very best with his close friend the Chicago harp legend Snooky Pryor, fellow Mississippi mojo master Sam Myers (Anson Funderburgh & The Rockets), Miss Angel and his protege emerging guitar star Enrico Crivellaro. Also includes unreleased vintage tracks from his Bluesway/Impulse era heyday in the early 1970's with additional guitar solos recorded by Mel in 2009. The haunting and achingly beautiful original instrumental title track Love, Lost and Found on which Mel played guitar, piano and B-3 organ may be the pinnacle of his incredible career. ---Editorial Review
