Blues Etílicos from Rio, Brazil has been around for a long time and is one of the country's best and most popular blues band. They are super in their versions of classics and have great compositions of their own. A note on the superb harmonica player Flavio Guimaraens (also singer) and the slide guitarist Craig Wilson (an "carioca" gringo). Their live albums are great. ---Vicente Del Rio, amazon.com

This band from Brazil is GREAT !!! it is a tribute to Muddy Waters & I'm sure he is smiling down on these guys, they perform the songs on this CD very well, with deep gritty passion!!! Muddy would be "proud" !! Great tone on the harp & awesome vocals !!! I highly recommend this CD, add to your collection, if you love "The Blues". ---Marlon Savarino, amazon.com
