Following in the footsteps of classic Christmas albums from the Motown stable and James Brown, Strut released the first ever Yuletide compilation on the label in November 2009, IN THE CHRISTMAS GROOVE, featuring 12 rare soul, funk and blues cuts rediscovered from Christmases past. In November 2010, Strut makes the compilation available as a super-loud 2LP gatefold for the first time, featuring the album's original sleeve notes by James Maycock of Mojo magazine. ---Editorials Review
