Guitarist and singer--songwriter Fiona Boyes is the only Australian ever recognised by The Blues Foundation in Memphis, earning 8 Blues Music Awards nominations. She was the first woman and non--American to win the International Blues Challenge in Memphis. Her international following has propelled her recordings to the top of blues charts.

Blues in My Heart is a remastered 20th Anniversary edition of her debut solo album, originally released in 2000 in Australia only. It includes Fiona's diary- style liner notes, photo memories and original folk art in a single CD package. Fiona is joined on this album by bandmates Karen (Kaz) Dalla Rosa (harmonica); Gina Woods (piano); and Paula Dowse (drums and percussion).

Quoting Fiona, "Blues in My Heart is an acoustic album of finger-picking ragtime blues... the 16 tracks capture a unique performance moment, much like the historical recordings of the early players I so admire." ---ccd.pl
