The Fabulous Thunderbirds - High Water (1997)

1 *Too Much of Everything* 2 *Hurt on Me* 3 *Tortured* 4 *I Can't Have You* 5 *Hand To Mouth* 6 *It's About Time* 7 *Promises* 8 *High Water* 9 *Too Hot to Handle* 10 *Save It For Someone Who Cares* 11 *Do Right* 12 *That's All I Need To Know* Kim Wilson - Vocals, guitar, harp Steve Jordan - Drums, guitar, bass guitar, background vocals Danny Kortchmar - Guitar, organ, piano, programming, background vocals

Although credited to the Fabulous Thunderbirds, *High Water* was written and performed by bandleader Kim Wilson with guitarist Danny Kortchmar and percussionist Steve Jordan, who produced the album, and it does not feature the rest of the current T-Birds lineup, which, in any case, has long since devolved into a backup band for Wilson. Kortchmar and Jordan are not exactly authentic bluesmen, of course, but instead high-priced sessionmen, and they provide a tightly arranged, somewhat antiseptic accompaniment to Wilson, whose vocals and harmonica playing are the focus. Longtime fans may miss the prominent guitar work and band feel that characterized earlier releases. --- William Ruhlmann, Rovi
