Hans-Jörg Müller - guitar, vocals Mick Taylor – guitar, vocals (tracks: 1, 3, 5, 6, 8) Linus Wahl – keyboards Andre Schnisa – organ (Hammond) Arno Haas – saxophone Stephan Wegner – bass Uli Wagner – drums, percussion

Black Cat Bone has been Southern Germany's best blues-rock group since the early 1970s. Taylormade, their fifth album, was recorded and released in Germany in 1997. This is a limited edition reissue now available in the US for the first time ever. In 1995, Black Cat Bone met former Rolling Stones member Mick Taylor at a festival in Switzerland. Taylor had always been one of Hans-Joerg Mueller's heroes, and a dream came true when he agreed to participate in the recording sessions for this album. With excellent production and crystal-clear sound, this disc is highly recommended to all lovers of intelligently performed rock and blues.
