Born in Rome and making his home in Helsinki, Finland, Davide Floreno is best known as the right-hand man to contemporary blues artist Erja Lyytinen. He has played lead & rhythm guitar on each of Lyytinen's first four international releases and accompanied her on hundreds of live dates. He'd have no problem keeping it that way. "I'm not much of a singer and I am not a front man by any means," says this modest six-string maestro. "I like to be on the side." But Lyytinen's fans, recognizing Floreno as an integral part of her sound, have been pestering him about a solo album for years. --- cdbaby.com
