Forty years ago, Barrelhouse Chuck was a student of Chicago blues piano. But today Barrelhouse Chuck is a master in his own right, and he is carrying on the tradition that he learned directly from Little Brother Montgomery, Pinetop Perkins, Sunnyland Slim, Detroit Junior, and others. Barrelhouse Chuck melds these disparate styles into his own and no other Chicago piano player has been able to do this and have the same pedigree. On this disc Barrelhouse Chuck is joined by his long-time collaborator Billy Flynn, who is one of the best blues guitarists practicing his craft today, Lluís Coloma, who is Europe's leading exponent of blues and boogie woogie piano, and Scott Grube, who plays traditional pre-war blues piano in Chicago.
