Taj Mahal - An Evening Of Acoustic Music (1994)

If you've ever caught Taj live solo, this recording, cut during an appearance in Germany, is what you've been waiting for. His sublime performances of "Satisfied and Tickled Too" and "Candy Man" are out of this world. While the inclusion of tuba on a few tracks does prove somewhat annoying, for the most part this is an excellent example of what makes Taj a treasure. ---Tim Sheridan, Rovi
