Nicholas: Guitar Mark Kazanoff: Saxophone Larry Peduzzi: Bass Terry Bingham:
Drums Ron Levy: Piano

Horton was tragically underrecorded as a bandleader; this album certainly attests to his talents in that regard, whether romping through a joyous "Everybody's Fishin'" or elegantly examining the tonal possibilities of the Duke Ellington chestnut "Don't Get Around Much Anymore." John Nicholas provides sympathetic backing on both guitar and piano, and Kaz Kazanoff is the stellar saxman. ---Bill Dahl, allmusic.com
