In Session is a blues album by Albert King with Stevie Ray Vaughan recorded live for television on December 6, 1983, at CHCH-TV studios in Hamilton, Ontario, Canada.

Initially King wasn't going to do the show as he didn't know who Stevie Ray Vaughan was. He didn't realize that Stevie Ray Vaughan was actually 'little Stevie', the 'skinny kid' that he let sit in when King played in Texas. On one of the conversation tracks, King actually talks about this. When he realized who Stevie Ray Vaughan was, he agreed to play.
