Diana Doherty is a top class oboist who won the First Prize in the Prague Oboe Competition (Francois Leleux won the Second Prize that year). These romantic works for oboe and orchestra have been rarely recorded. This album is recommended to those who would like to explore these rare gems as well as the artistry of Diana Doherty. Despite her young age at the time of this recording, the Brisbane-born oboist Diana Doherty was already acclaimed as one of the finest anywhere in the world, having numerous international prizes to her credit. ---Wai Kit Leung, amazon.com
