Gura [Julia] Christoph Pohl [Eduard] Julia Sukmanova [Isabelle] Philharmonisches Orchester
Hamburg Alessandro De Marchi [Conductor] 22.02.2004, Staatsoper Hamburg

Der lächerliche Prinz Jodelet (The ridiculous Prince Jodelet) dates from Keiser's later period; it was given its first performance at the Gänsemarkt in 1726. In it the composer followed the then frequent practice of pasticcio: only the overture and the plot-driven sections were newly composed, then interspersed with existing musical numbers. --- folias.nl
