Joanna Lawrynowicz is an excellent performer in these charming pieces by Zelenski. I was impressed by her playing in volume 1 (Acte Préalable AP0124) but in this disc she reveals an even greater depth and craftsmanship in the composer's work. The title of the pieces might suggest a disk full of salon music, but this is not quite the case; whilst some of the works are light and brilliant, others are much more pensive, showing deeper shades of emotion and intellect. The recorded sound is first-rate. --- paulk, amazon.com
