On this new release, Centaur Records presents Louise Dumont Farrenc's Piano Trios Op. 33 and Op. 34. These beautiful 19th century piano works are performed here by pianist Mary Ellen Hauptert, violinist Nancy Oliveros, and cellist Laura Sewell. Louise Dumont Farrenc (1804-1875) was a French composer, pianist, and teacher. She completed 49 compositions with Opus numbers. ---arkivmusic.com

I enjoyed the wonderful ensemble, and especially the interplay of musical lines in this performance by a trio of ladies from the Midwest. They have impressive individual biographies. The sound is great, the performances quite good. Hauptert's booklet notes are both informative and interesting. And I really like Farrenc's music, so this disc will remain on my active listening stack for the foreseeable future. ---American Record Guide, hbdirect.com
