Peter Cavallo - Not In Words (2018)

*01 – Safe but Not Safe 02 – Alone in a Caf, in Paris 03 – Unaware 04 – L’amore , la libert...
05 – The Waiting 06 – Not in Words 07 – Please Don’t Go 08 – Insignificant 09 – Morning
Rose 10 – La nuit apres 11 – Unaware (Reprise)*

This is the 2nd album by Peter Cavallo. It is a collection of musical tales written specifically for the neo-classical genre. Beautifully crafted with delicate melodies, this album takes the listener on a romantic and wondrous journey through tales without words. ---cdbaby.com

Peter Cavallo is an Australian born musician and composer who started out his career building his own recording studio and then turning to freelance producing. He has been involved in all types of media from Television, working as a producer for a National Australian Network to composer of films, documentaries and commercial projects.

He has won two Instrumental Album awards for outstanding production and has worked with some of Australia’s best musicians. His ability to infuse emotionally charged melodies into a variety of styles has captured the heart of listeners world wide. ---shockwave-sound.com
