5:59 Jose Carreras - tenor The Galaxy Symphonic Orchestra Christian Kolonovits –
conductor

Jose Carreras has left his mark on musical culture with his incomparable voice. On ENERGIA, he revisits his cultural roots, tapping into the music and energy that inspired the music of his Mediterranean homeland. The album-and companion DVD-features songs in languages that Carreras is especially fond of. The songs come from Portugal, Italy, France, Spain, and above all, Catalonia, where he was born.
