Gianni Schicchi is a comic opera in one act by Giacomo Puccini to an Italian libretto by Giovacchino Forzano, composed in 1917–18. The libretto is based on an incident mentioned in Dante's *Divine Comedy*. The work is the third and final part of Puccini's *Il trittico* (The Triptych)—three one-act operas with contrasting themes, originally written to be presented together. Although it continues to be performed with one or both of the other *trittico* operas, *Gianni Schicchi* is now more frequently staged either alone or with short operas by other composers. The aria "o mio babbino caro" is one of Puccini's most well known, and one of the most popular arias in opera.
