This is better than Bach's Brandenburg's and his Orchestral Suites. Match the pieces on this CD to anything youve ever listened to and you will be smazed. All tracks are filled with so much power and energy you cant help but say this is divine music! Its well worth any price offered here, and it received my full recommendation. –M. Maman

Absolutely amazing! This is by far one of the most explosive, dynamic, and superb symphonies I've ever heard. I'm more of a J.S. Bach fan, but Vivaldi had definetly outdone himself with these compositions. A must buy, if you're a Baroque period lover. –Melissa Frierson
