2009 album from the Swedish singer/songwriter, whose voice has been compared to Blossom Dearie, Diana Krall and Astrud Gilberto. Ekdahl became an overnight sensation in Sweden with her 1994 debut album and has since become one of the country's most beloved musical talents. Give Me That Slow Knowing Smile presents an extremely inspired collection of Pop-Folk sung in English and entirely written Lisa herself. The album was partly produced by Swedish multi-instrumentalist Mattias Blomdahl.
