Zbigniew Namysłowski – alto & sopranino saxophones

Kuba Stankiewicz – piano, keyboards

Dariusz Oleszkiewicz – bass

Jerzy Głód – drums

Jose Torres - percussion

When I first visited Poland, I was quite unprepared to hear Polish musicians at so high level. Namyslowski was clearly the best. International voting has proved that audiences in Europe recognize the best Polish musician as among the best anywhere in the world. He honors 3 traditions, of jazz, of Polish, of himself. Anyone who misses Namyslowski is missing a unique source of creativity in 20th century. Namyslowski is a giant! ---Willis Conover
