Ben Webster - Blue Light (1965)

01 Autumn Leaves 02 Stardust 03 What's New 04 Easy To Love 05 Yesterdays 06 Blue Light 07 My Romance 08 Days Of Wine And Roses Ben Webster – tenor sax Kenny Drew – piano Niels Henning Orsted Pedersen – bass Axel Riel – drums Add Arnved Meyer Band tracks 6-8 Copenhagen, February 6, 1965

I happened to find 2 Ben Webster albums lately in the second hand vinyl department ("Blue Light" and "Gerry Mulligan meets Ben Webster") and because his name rang a bell I bought them both... Man, am I pleasantly surprised!!! That sound! Sweet and light but also hoarse and raw... I'm completely addicted! ---Freek, forums.allaboutjazz.com
