## Art Tatum – The Tatum Group Masterpieces Vol.3 (1955)

1. *What Is This Thing Called Love* 2. *I'll Never Be The Same* 3. *Makin' Whoopee* 4. *Hallelujah* [play](#) 5. *Perdido* 6. *More Than You Know* 7. *How High The Moon* 8. *Hallelujah* – (alternate take, bonus track) LineUp: Art Tatum (piano); Lionel Hampton (vibes); Buddy Rich (drums). Recorded in Los Angeles, California on August 1, 1955.

The third of eight CDs matching the great pianist with a variety of classic jazzmen is the first of two that finds him in a trio with vibraphonist Lionel Hampton and drummer Buddy Rich; no weak spots in that group. Much of this music really burns. ---Scott Yanow, AMG
