Take 1))* 4:48 9. *Gone With The Wind (Album Version – (Alt. Take 2))* 4:47 10. *Have You Met Miss Jones? (Album Version – (Alt. Take))*

LineUp: Art Tatum (piano); Ben Webster (tenor saxophone); Red Callender (bass); Bill Douglass (drums).

The final volume in this very worthy series is a comparatively relaxed affair, a quartet set with tenor-saxophonist Ben Webster. Webster lets Tatum fill the background with an infinite number of notes while emphasizing his warm tenor tone in the forefront on a variety of melodic ballads and standards. The combination works very well. ---Scott Yanow, AMG
