"Brownie," was an influential and highly rated American jazz trumpeter. He died aged 25, leaving behind only four years' worth of recordings. Nonetheless, he had a considerable influence on later jazz trumpet players, including Donald Byrd, Lee Morgan, Booker Little, Freddie Hubbard, Valery Ponomarev, etc.

There is no use my naming the tunes because Amazon has the list of samples. Clifford died at age 25 in a car accident after only 4 years of recording. My favorites on this album were written by Brownie himself. "Joy Spring" & Daahoud", now jazz standards of all pro jazz musicians including myself. ---Jerlaw, amazon.com
