Recorded at Rainbow Studios, Oslo, Norway in February 1992.

Bassist Miroslav Vitous and Jan Garbarek (on soprano and tenor) are featured throughout this ECM CD on a set of introspective duets. Garbarek does emit some passion on soprano and Vitous augments the music at times with some percussive sounds made by hitting his bass; once in awhile he also adds brief samples from what he calls "the Miroslav Vitous Symphony Orchestra Sound Library." But in general this is a stereotypical ECM date, recommended to fans of that genre. ---Scott Yanow, Rovi
