Jan Garbarek is best known as a saxophonist, originator of a distinctive instrumental sound associated with the German ECM label, for whom he has played on dozens of solo and group projects. Ms. Gamas is a Norwegian singer who specializes in folk material. These popular songs, myths and legends have been given a completely contemporary treatment by Garbarek with synthesizers, hand drums, and a great variety of wind instruments. The result is an unforgettable record that is neither folk, ethnic, jazz, new age, or space music, but is simply an original and highly effective work of art. ---All Music Guide
