Stanley Jordan - Stolen Moments (1991)

1. *Stairway To Heaven* 2. *Impressions* 3. *Lady In My Life* 4. *Autumn Leaves* 5. *Stolen Moments* 6. *Return Expedition* 7. *Over The Rainbow* Stanley Jordan - Electric Guitar
Kenwood Dennard - Drums Charnett Moffett - Bass

This trio set with bassist Charnett Moffett and drummer Kenwood Dennard features the tapping guitarist Stanley Jordan during a typical live show from 1990 playing many songs that he had previously recorded. While "Stairway to Heaven" is treated as very credible rock and "Lady in My Life" gets funky, "Autumn Leaves" really cooks and Jordan fares well on "Stolen Moments" (during which he does a strong imitation of a keyboard) and "Impressions." Jordan's lone original, the rock-ish "Return Expedition" is, at 15 minutes, way too long and serves primarily as an opportunity for his two fine backup players to take lengthy solos. Jordan's unaccompanied display on the concluding "Over the Rainbow" compensates. An interesting program. ---Scott Yanow, Rovi
