Sensational story from France! The charming newcomer Zaz aka Isabelle Geffroy surprisingly won in 2009 in Paris with a great talent, a short time later, they ruled the top of the album charts: Nine weeks # 1 on the French charts and leading positions in Belgium, Switzerland and Austria. At the Berlin Popkomm 2010 Zaz and band were a celebrated highlight - a top-class musical rendez-vous of chanson jazz, gypsy swing and catchy pop melodies. ---Editorial Reviews
