The extensive 37-song (38 on the vinyl version) compilation titled Telesterion showcases the variety and breadth of explorative artistry spread across his 25 (and counting) solo albums harvested for this release. For those unsure where to begin discovering Omar's vast catalog, this is a fitting introduction. Telesterion includes a 20-page booklet of artwork, un released photographs and text, with liner notes by longtime friend and Rodriguez Lopez Productions art director Sonny Kay.

Telesterion will be released on Record Store Day, April 16th, 2011. --- omarrodriguezlopez.com
