## Merry Christmas and Happy New Year

### Happy Christmas (War is Over)

#### Happy Christmas (War Is Over), Celine Dion lyrics:

*So this is Christmas And what have you done Another year over And a new one just begun  
Ans so this is Christmas I hope you have fun The near and the dear one The old and the  
young A very merry Christmas And a happy New Year Let's hope it's a good one Without  
any fear And so this is Christmas For weak and for strong For rich and the poor ones The  
world is so wrong And so happy Christmas For black and for white For yellow and red ones  
Let's stop all the fight A very merry Christmas And a happy New Year Let's hope it's a good  
one Without any fear And so this is Christmas And what have we done Another year over  
And a new one just begun And so this is Christmas I hope you have fun The near and the  
dear one The old and the young A very merry Christmas And a happy New Year Let's hope  
it's a good one Without any fear War is over over If you want it War is over Now...*

And three old polish carols:

#### 1. Lulajze Jezuniu (Hush little Jesus)

One of the most touching tunes in the world, a lullaby for Jesus.

## Hush little Jesus

*Hush little Jesus, my little pearl, Hush my favourite little delight. Hush little Jesus, hush, hush But you lovely mother, solace him in tears Close your little eyelids, tired of weeping, Solace the little lips, fainted from sobbing. Hush, our beautiful Angel. Hush, you graceful little flower of the world. Hush, you most decorative little rose, Hush, you most comfortable little lily. I'll give Jesus sweet little berries I'll go with him into his Mother's heart's orchard. I'll give Jesus a little butter with bread, I'll put a doll into his crib. I'll give you, Jesus, a sweet goody raisins, almonds from my little box. Hush! Hush! Hush! Let the sweet little child fall asleep Here it has already fallen asleep like a little chicken. Hush! Hush! Hush! You all go to sleep now, don't wake up my sweet little child.*

## 2. Bog Sie Rodzi (God Is Born)

### God Is Born

*God is born, great powers tremble, Lord of Heaven lies forsaken. Fire is frozen, splendor darkens, feeble nature God has taken. Lowly born, yet Lord to Praises, Mortal yet the King of Ages. Now indeed the Word made Flesh has come on earth to dwell among us. Where, oh heaven, is thy splendor, dimmed is now your starry azure. Earth now holds in lowly manger, the divine unfathomed Treasure! God e'en now in pain does glory as unfolds Redemption's story. Now indeed the Word made Flesh has come on earth to dwell among us.*

## 3. Oj Maluski, Maluski (Oh, my little one)

A wonderful carol from polish highlands.

### **Oh my little one, my little one**

*Oh my little one, my little one, my little one, like a (tiny) glove Or even like, like, a piece of fiddlestick Sing and play for him The little one, the little one Wouldn't it have been better for you, for you, to stay in Heaven Since your beloved daddy, beloved daddy, didn't send you away Sing and play for him The little one, the little one*

**Merry Christmas and Happy New Year for all our friends.**

**Merry Christmas! Fröhliche Weihnachten! Feliz Navidad!**
