Lineup: Halina Frackowiak - vocals; Jozef Skrzek - keyboards, bass guitar, vocals; Apostolis Antymos - guitar; Jerzy Piotrowski - drums.

Let's also mention that Halina Frackowiak was the only vocalist who ever recorded with SBB (except Jozef Skrzek, of course). And let's also say that their cooperation was not limited to this one album. Later, in the 80s, after SBB broke up (and before was re-activated), Jozef Skrzek composed the music and played on her other album, "Ogród Luizy". In return, she also sang most of the songs on Jozef Skrzek's album "Jozefina".
