2009 album from the award winning singer/songwriter, whose refreshing style and mesmerizing vocals captured a global following the past two years thanks to her breakout debut album Coco. For Breakthrough, Colbie worked with an impressive array of producers, songwriters, and artists including Grammy winning songsmiths such as Rick Nowels, Shanks, and acclaimed songwriter and 2009 American Idol judge, Kara DioGuardi. The charismatic artist even set up a hi-octane 'writing camp' in Hawaii last year, inviting familiar collaborators Jason Reeves and Mikal Blue and Kara DioGuardi to the creative free-for-all. Caillat and her team wrote 50 songs for the album and recorded 20. She played the music for a small group of fans to help her determine the final tracks that will make the album. Features the first single 'Fallin' For You'.
