Trzeci i chyba najlepiej oddający znaczenie terminu "typowe brzmienie Modern Talking" album grupy. Dwie piosenki z płyty zostały wydane na singlach i w komplecie dotarły do 1 miejsca w Niemczech (sam album oczywiście też był numerem 1). Z dziesięciu piosenek na płycie nieco słabszy poziom prezentuje jedynie "Only Love Can Break My Heart", choć i ona ma swoich zagorzałych zwolenników. Reszta to pozycje z najwyższej półki. Genialna melodia w "Brother Louie", cudownie zaaranżowane "Atlantis Is Calling" i "Just We Two", niespotykany w innych piosenkach MT klimat "Angie's Heart"... Z dziesięciu nagrań na płycie dwa są balladami: "Lady Lai" i "Keep Love Alive". Pierwsze dość mroczne (znów brawa za znakomitą aranżację), drugie słodkie, z piękną melodią i znakomitymi chórkami w refrenie (w balladach były one rzadkością). Po prostu kompletny, spójny, przebojowy album. ---moderntalking.pl
