Nelly Furtado – Mi Plan (2009)

01. *Manos Al Aire*
02. *Mas*
03. *Mi Plan*
04. *Sueños*
05. *Bajo Otra Luz*
06. *Vacacion*
07. *Suficiente Tiempo*
08. *Fuerte*
09. *Silencio*
10. *Como Lluvia*
11. *Feliz Cumpleaños / Fantasta*

Cooling her heels while crafting a follow-up to her hot dance makeover *Loose*, Nelly Furtado released *Mi Plan*, her first full-length Spanish album, in the fall of 2009. As it turns out, *Mi Plan* comes much closer to Furtado's previous music than *Loose*, but she's retained many lessons from her time with Timbaland, giving this a much stronger rhythmic foundation than her first two albums which this otherwise resembles in sound and structure. Nelly still sounds vaguely like a modern hippie, fusing together cultures with a hazily spiritual undertow, something that works well on an album like this, which is pitched at a Latin audience but never feels like a niche throwaway by a superstar. Instead, this is assured and cohesive, holding together better than her muddled sophomore effort *Folklore* but having a similar range, bouncing elegantly from barbed, alt rock guitars to electro synths to grand, gorgeous ballads. In fact, it says quite a bit about Nelly Furtado's ambitions and skill when her Spanish detour winds up being arguably her strongest album yet. ---Stephen Thomas Erlewine, AllMusic Review
