Roxette travelling. Three years after their 2009 comeback, Swedish pop phenomenon Roxette are hotter than they've been since their early 90's heyday.

Their World Tour is in full swing with virtually 1,000,000 concert tickets sold since the tour started out within the Tatneft Arena in Russian Kazan a year ago. On high of that another million Roxette records has been added to the already dizzying seventy million that Roxette has sold over the years. So far the band has played quite eighty five shows in 30+ countries (and the trip continues they don't arrange to rest till they've played one hundred fifty shows). however besides zigzagging between airports, arenas, hotels and meeting with fans from everywhere the planet, the band conjointly has found time to record their new album Travelling. The idea has been to faucet into all the positive energy that has boosted the band throughout this dazzling trip, and channel it to new Roxette music. In short, an album that a bit like 1992's Tourism captures the sensation of a band on a roll – constantly on the move, snatching inspiration as they go; recording in hotel rooms, studios, at soundchecks and together.

The result's a desirable musical postcard with fifteen very good songs, most of that are new, some that are revisited classics and others being pearls that for numerous reasons hasn't seen the sunshine of day before. A tight and impressed band has gathered around a batch of Gessle

tunes, where the relentless hit-maker once more and once more proves that his sense of melody and skill to surprise remains top-notch. 'It's Possible' is that the initial taster from Travelling – a pair of minutes and thirty four seconds of sunny pop music that shows one among Roxette's several sides 2012. There's a lot of to come back. --- www.woofnepal.com
