melodic yet exuberant hits found on Greatest Hits. Other high points of this collection, which EMI put out in 1996, range from the ska-influenced "2-6-5-8-0" to the angry "Ego" and the gutsy "Words Fell Down." As much as Greatest Hits has going for it, however, it's far from the last word on Wilde; essential hits like "Love Blonde" and "Child Gone Away" are missing. Nonetheless, Greatest Hits can serve as a rewarding introduction to her Rak output of the early 1980s. ---Alex Henderson, AllMusic Review
