After releasing the nine-song odds-and-ends EP *Cannibal* in late 2010, bratty dance diva Kesha waited just five months to drop another stopgap effort, but *I Am the Dance Commander + I Command You to Dance* is a different animal altogether. Here, it's all about the remixes, and with names like Fred Falke, Switch, and DJ Skeet Skeet behind the boards, the listener is in for a decidedly bumpy ride. "Blah Blah Blah" now bleeps like a funky computer during a power surge while "Animal" has morphed into a speaker-ripping monster with an extra fat bassline. OutKast member André 3000 adds a wild verse that goes from absent fathers to poppin' bottles on "The Sleazy Remix," but safer numbers like a club-friendly mix of "Your Love Is My Drug" and an especially electro take on "Blow" serve to anchor this generally frenzied collection. As far as anything new, the previously leaked "F**k Him He's a DJ" finds its official home here, strutting and sinning defiantly, reassuring Kesha fans that the kids are all spite. ---David Jeffries, AllMusic Review
