The provocative and controversial pop duo t.A.T.u. deliver a set of sleek electronic dance music on this, their third English-language album. Released in 2009, *Waste Management* (an English-language edition of their Russian album *Veselye Ulybki*) features 11 songs (12 on the "Transcendent" version are remixed for nonstop play) in which vocalists Lena Katina and Julia Volkova take their edgy musical stories to the dancefloor; selections include "White Robe," "Snowfalls," "Little People," and more.---Mark Deming, AllMusic Review
