Anouk - Paradise And Back Again (2014)

01 Cold Blackhearted Golddiggers 02 She Is Beautiful 03 Daddy 04 Don't Wipe Us Out 05 Looking For Love 06 Last Goodbye 07 Some Of Us 08 Wigger 09 Breathe 10 Smile & Shine 11 Wish He Could See It All 12 Places To Go 13 You & I 14 Feet On The Ground

Paradise and Back Again is the ninth studio album by Dutch recording artist Anouk. It was released on 21 November 2014 by Universal Music. Paradise And Back Again is just as colourful and breathtakingly beautiful as the cover artwork (painted by artist Esther Barend). Paradise And Back Again is a collection of rock solid songs. A trip through all styles the singer loves. Most records bear a story. Made with a certain vibe, in a special location, or at a crucial time in which the artist is living. The story of Dutch Rock singer Anouk's new album Paradise And Back Again is quite the opposite; there is no theme or concept to this album. It's just as colourful and breathtakingly beautiful as the cover artwork (painted by artist Esther Barend). It's very simple, really. Paradise And Back Again is a collection of rock solid songs. A trip through all styles the singer loves. Or, as she says herself: "It's a mess, really". Typically Anouk: first, sing a bunch of songs with all her heart and soul, only to make fun of it moments later. She explains: "We live in a time where everything is OK, anything goes. Everybody listens to so many different musical styles at the same time, something I have always done. So why stick to one style, when you master multiple?" --- Editorial Reviews, amazon.com
