Phil Ochs was a singer/songwriter during the 1960's (variously categorized as ``topical'', ``protest'' and ``folk''). He was a contemporary (and friend) of Bob Dylan. (who said: ``I just can't keep up with Phil. And he's getting better and better and better.'') He was a prolific writer of protest songs such as *Draft Dodger Rag*, *I Ain't Marchin' Anymore* and *Outside Of A Small Circle Of Friends*. His output diminished at the end of the 60's after putting out 7 albums. He wrote little in the 70's and, sadly, took his own life in 1976. ---web.cecs.pdx.edu
