Joe Bonamassa - State Theater, Falls Church, VA 2000-11-05

1. *Cradle Rock* 2. *A New Day Yesterday* 3. *Miss You, Hate You* 4. *Trouble Waiting* [play](#)
5. *If Heartaches Were Nickels* 6. *I Know Where I Belong* 7. *Had to Cry Today* 8. *Red House*
(Joe plays w/ Indigenous on their encore)

Bonomassa tours the world regularly, and his ability to connect with live audiences is epic. He generally has no opening act, and he never leaves the stage until the last encore two hours later.
