12. *She Talks to Rainbows*
13. *Born to Die in Berlin*
14. *Ramones* Bass – C.J. Ramone Drums – Marky Ramone Guitar – Johnny Ramone Lead Vocals – C.J. Ramone (tracks: 2, 4, 8, 10, 14) Vocals – Joey Ramone

The Ramones announced before the release of *¡Adios Amigos!* that the record would likely be their last -- unless it sold in massive quantities, that is. While it's hardly their best effort, *¡Adios Amigos!* is an admirable way to bow out. The Ramones haven't progressed much since the mid-'80s, yet they have recaptured a bit of the inspiration that fueled their last great album, *Too Tough to Die*. Even with the extra kick of energy, there are moments on the album that veer too close to self-parody -- even the grungy stomp through Tom Waits' "I Don't Wanna Grow Up," one of the record's best moments, seems forced. Still, the weakest moments of the record outshine the best songs on the stiff and over-produced *Brain Drain* and *Mondo Bizarro*. They might not have been on the top of their game, yet the Ramones knew that a record like *¡Adios Amigos!* was the right way to call it a day -- it rocks and it rolls, and it's not an embarrassment. ---Stephen Thomas Erlewine, AllMusic Review
