Lenny live in Tokyo cant be beat. Hearing the crowd sing along is priceless. With Lenny being the entertainer that he is he gets the crowd rocking all throughout the performance. Nothing beats capturing a show live. Put this on your vinyl player and it really seems like you are at the show. We love Lenny in household and have seen him live at least 5 times. Go Lenny Go Lenny Go Lenny. I recommend you buy this LP you will love the sound. ---S-n-M, amazon.com
