This 14-track European Limp Bizkit collection from Universal (cleverly titled *Collected*) features the hit singles "Rollin' (Air Raid Vehicle)" and "Behind Blue Eyes" sandwiched between 12 album cuts. While it serves as a decent introduction, there are far better Fred Durst and company anthologies out there. Fans of the raucous rap/nu/alternative metal outfit would be better off with 2005's *Greatest Hitz* compilation which features the aforementioned hits along with other notable singles like "Faith," "Nookie," and "Break Stuff." ---James Christopher Monger, AllMusic Review
